MCMURRICH ONLINE SILENT AUCTIONS

Our **TEASER** online silent auction closed on Friday, March 10th and it was a HUGE success! We raised **$3,556.00**!!! We couldn't have done it without the generosity of our donors and the McMurrich community. Thank you!

That was just a taste of what we have planned for our **Super Spring Silent Auction**, coming **May 1st** - and you can help! We are still accepting donations! If you are a business owner, or have a personal connection to a business, please fill out this form and let us know what you are able to donate, or email Noemi Hallett at noemihallett@gmail.com. With your help we can make this year's MAIN auction the biggest and best yet!

——---------- REFLECTING BACK——----------

SCIENCE RIOT GRRLS PROGRAM RECAP

We would like to send out a big thank you to Wendy Graham, of Science Riot Grrls, for running hands-on workshops on the science of sound (the week of Mar 6th)! Younger kids experimented with tuning forks, and built kazoos, while older kids experimented with vacuum tubes and slinkies. Fun was had, and noise was made! Also thank you to all of the parent volunteers, who helped with the workshops!

DANCE-A-THON RECAP

The Danceathon on February 24th was a great success! Professor Jamz entertained the students and teachers alike with amazing music, dancing and high-energy fun. As always, the cosmic store merch items were a huge hit and certainly added to the good times. McMurrich very much appreciates the generosity and support of the school and school community - we couldn't have done it without you! We raised **$5,019.28**, which will allow us to purchase Dash and Dot Robots (and associated tech) - a wonderful contribution to the school!
