## Jump Rope for Heart is Back!

Ms. Cohen & Barkin's classes are leading a fundraiser at McMurrich Junior Public School for an organization called Jump Rope for Heart on June 13. In this fundraiser, we are raising money for heart and stroke awareness. Your young people will be doing physical activities outside such as skipping, running and other sports throughout the afternoon to exercise, fundraise and learn about the heart and its different conditions and how to deal with them (e.g., Stroke, Pericarditis, Rheumatic Heart Disease, Angina). You can donate using the link below to help research heart conditions and raise awareness. There will prizes!!!

The link to donate to the McMurrich fundraiser is: [McMurrich Junior Public School - Toronto | Heart & Stroke Jump Rope for Heart](#)

## Business Day Announcement

The students of Room 204 & 308 would like to extend an invitation to our 21st annual Business Day event that we will be hosting at McMurrich Junior Public School. It will be held on Thursday, June 12th from 9:00am to 2:30pm where they will be selling products or a service based on a STEM-inspired idea. Students have been engaged in a series of writing activities and making connections with members in the community to raise awareness and funds about their business concept and why their proceeds will be supporting the Kids' Help Phone, Water First, the Stop and David Suzuki Foundation..

It truly would be an honour to have you join us in celebrating student learning and see them in action as entrepreneurs as they share their knowledge and understanding of their learning with customers of all ages (JK and up).

NOTE: Classes will be called down throughout the day to take part in activities and shopping too!
